WHO?

GLOBAL MARKETING RESOURCES, INC. is the leading placement Agency for J-1 physicians! Since the introduction of our "J-1 Placement Program" in 1995, it has quickly become recognized as **the most successful J-1 Placement Program in the country!** We have the highest success ratio, the best track record and the largest number of satisfied J-1 clients in the nation. That's because we successfully place more J-1 physicians each year than all the other recruiters combined! We are the only Agency that **GUARANTEES** a J-1 waiver position!

WHERE?

We are a **National Physician Placement Agency** currently canvassing over **230,000 facilities** located within **HPSA and MUA** designated areas across the country! We are recruiting for over 18,000 facilities who have expressed an interest in hiring (and a willingness to sponsor J-1 Waivers for) the right qualified candidates. **That's** over 18,000 facilities that are reviewing the CVs of our J-1 candidates right now!

HOW?

We identify and contact **EVERY HPSA & MUA facility in the USA!** We also canvas **all** of these facilities approximately every 3 months targeting a call frequency of no less than four times a year! After identifying each need, we attempt to recruit an American for the position. After extensive recruitment efforts, we then reconfirm that the facility meets the criteria to sponsor a J-1 waiver. Then if no American is available, we present the advantages of hiring one of our J-1 visa candidates. We perform an exhaustive pre-qualification of every opportunity!

WHY?

Locating Physicians for HPSA facilities is what we do best. After all, **we pioneered J-1 Placement!** We've developed trade secrets that enable us to identify 95% of all rural health care needs and then transform a large number of them into J-1 waiver opportunities. Employers love our J-1 program because we make the waiver process "painless"! This insures that they choose **YOU** over any other J-1 candidates!

**We'll take the worry out of locating a suitable waiver sponsorship...
WE GUARANTEE IT!**
